Taste From The Past...

HERMOS

PETKON

The story of a flavour from the past

Our food formulas are created with our pets' nutritional needs in mind, down to the smallest detail. We take the same care in selecting the ingredients in our food.

We attach great importance to the quality of life of our pet friends.

We prioritize using the highest quality fresh red meat, fresh chicken, and fresh salmon, as well as fruits and vegetables with a low glycemic index and high nutritional value, in our products. We also take every precaution to ensure all ingredients are as fresh as the day they were produced.

Foods as fresh as the day they **were produced**

Enhanced flavour with fresh meat

F.M.I.S.
FRESH MEAT INJECTION SYSTEM

High Digestibility & Higher Nutrient Absorption
Fresh meat, FMIS (Fresh Meat Injection System) It is added directly to food. Nutritional values are preserved, and proteins become easier to digest.

More Natural & Delicious Food
The natural flavor of fresh meat is preserved, eliminating the need for additional artificial flavorings.
Provides a more appetizing and healthy eating experience for dogs and cats.

LOW GRAIN

Less Grain, Healthy Life
Thanks to its high-quality protein sources, low-glycemic index grains and rich vita-min-mineral balance, a healthy nutritional ex-perience without straining the stomach. Ideal for friends with sensitive digestion, Mystic pro-vides a complete and balanced meal with its natural and nutritious content!

Mystic®

Geçmişten Gelen Lezzet...

A better future is our responsibility

- **Our factories are powered by the sun!** Up to 40% of the energy we use comes directly from solar energy.

- **We are starting to make our packaging recyclable as of 2025.** Because taking responsibility for the future is part of who we are.

- **By measuring our carbon footprint, we are taking a step forward and continuing with determination to offer healthy and natural food to our pets.** The health of our planet is as valuable to us as the happiness of our animal friends!

- Our commitment to a better world knows no bounds: **We are committed to achieving zero-waste production standards by 2030 in accordance with the principles of the circular economy**
